2 Summary & recommendation

RERA-registered project (UPRERAPRJ665479) but no circle-rate benchmark found

Summary

The Capitol Avenue project is registered with UP-RERA (RERA number UPRERAPRJ665479) under the name Capitol Avenue. The builder listed in RERA matches the buyer’s entry as ANAND HABITAT INFRASTRUCTURE PRIVATE LIMITED, though the promoter identity could not be verified and its delivery history is unknown. No circle-rate or collector-rate data could be located for this locality, so price benchmarking is unavailable.

Recommendation

- Request the promoter’s identity documents (e.g., PAN, RERA promoter certificate) from the builder to confirm who is behind the project.
- Ask the seller or local municipal office for the current circle-rate for the area to gauge a fair price.
- Get a list of the builder’s completed projects and any possession certificates to assess delivery performance.

3 Key alerts

SEVERITY	ALERT	DETAIL
INFO	**Delivery track record could not be established**	The builder was identified, but no project counts could be read from public sources — this report makes no claim about how much it has built or delivered.
INFO	**Circle rate unavailable**	No circle-rate / collector-rate benchmark could be found for this locality.
